NEW HOPEWELL STORE IS SUMMER SOLSTICE GOAL

Each year during the Summer Solstice live auction, guests "raise the paddle" to help Hopewell further its mission of helping people with schizophrenia, bipolar disorder or major depression learn to manage their mental illness and transition to a more independent life.

This year's effort will help create a resident-run store located on our farm in Mesopotamia. The store, planned to open in 2011, will have Hopewell-produced maple syrup, eggs, vegetables, flowers, plants, and arts and crafts for sale to the public.

In addition to generating a modest income, the goal of a resident- and staff-run store is to expand vocational opportunities for Hopewell residents and build awareness of our program.

We are pleased to announce that your contribution to the Hopewell store will be matched dollar-for-dollar by a challenge grant from The Fred A. Lennon Charitable Trust.

A VISION FOR THE STORE

In 2008 Hopewell hired a Farm Manager to help us manage our livestock, gardens and property more effectively. Since then, we have experienced an exciting expansion of farming opportunities. Activities like maple sugaring, animal care and growing a larger, organic garden, involve more residents and more work time.

The result is an increase in maple syrup, eggs and produce. This development, combined with a continuing effort to

improve programming, has led us to envision a resident-run Hopewell store open to the public.

- Renovations to existing buildings (\$25,000)
 - Our plan is to make structural improvements to an existing farm building and sugar house.
- New maple sugaring equipment (\$17,500)

A reverse osmosis machine and generator will improve process efficiency and potentially yield a greater amount of syrup for sale. A new storage tank will also add to process improvements.

• Program Support (\$17,500)

We will provide funding for our staff to prepare the store, train residents and set up inventory.

HOPEWELL'S DIRECTION

BY RICK KARGES, EXECUTIVE DIRECTOR

This summer marks the 10th anniversary of Hopewell's Summer Solstice event. That is something to celebrate. From its beginnings, this benefit has marked the start of summer with style.

It's no secret that this kind of sustained success is only possible because of the people behind it.

That is one reason we are honoring **past Summer Solstice chairs** for their leadership and dedication. We have **Mary Adelle Horner** and **Dick Desberg** to thank for initiating the Summer Solstice idea and bringing it to life in 2001. From there, many talented people have carried the torch over the years:

Barbara Akers
Pam Blossom
Betsy & Charley Daane
Barbara Gratry
Melinda Holmes
Susan LaPine
Kathy Mahovlic
Kitty Makley
Heath & Rex Mason
Margo Roth
Marcia Schumann
Margie Wheeler

Thank you for your vision, talent, time and hard work. Because of you, we have raised more than \$1.2 million in the last nine years to help our residents benefit from Hopewell's unique treatment.

Without a doubt, our financial success has been possible because of **Hawthorn**, **PNC Family Wealth** (formerly Sterling) our original and current presenting sponsor. Back in 2001, their team recognized the potential of the Summer Solstice and invested in our fledgling event. Ten years later they are still with us and what an impact their significant support has made. We are very appreciative.

Then there is **Clara Rankin** and her beautiful property which we descend upon during the third week of every June. Talking with Clara and mingling with friends in her historic barns draws guests of all ages. Thank you, Clara.

And last, but certainly not least, is **you**, **our guest**. Without your loyal support over the years, there would be no event. Thank you for the tickets you've purchased, the auction items you've won and the friends you've brought along. You are the Summer Solstice.

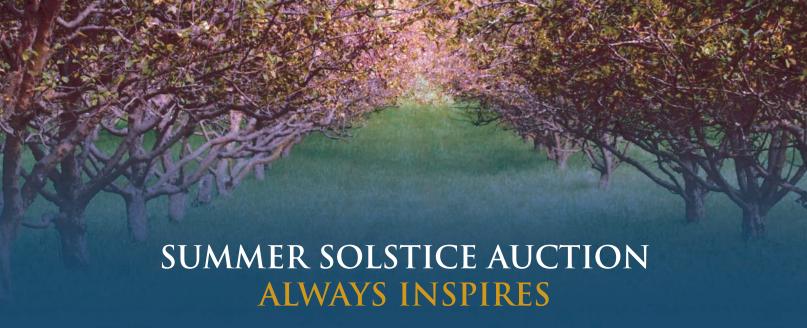

On behalf of our residents and their families, thank you for helping us change lives every day. **Chloe Rankin Seelbach**, this year's chairperson, and I look forward to seeing you on June 18th.
